The Honorable Douglas Bereuter
Permanent Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Bereuter:

Thanks for taking the time on 27 February to meet with John Helgerson and me. It is always nice for us to meet with new Members of the Committee before we see each other at a hearing. I would like to repeat my offer of assistance. We are anxious to see you become involved in intelligence matters and I will do whatever I can to make your tenure on the Committee both informative and interesting. Feel free to call on me at any time if you need assistance.

At your request, I am enclosing some unclassified material on the USSR which deals with their economy. I hope these publications are useful. I am frankly surprised we have this much unclassified material on the subject.

Warm regards,

Deputy Director, House Affairs
Office of Congressional Affairs
